

## Faculty Position in Computer Engineering

The Department of Electrical and Computer Engineering at San Diego State University invites applications for a full-time tenure-track faculty position at the level of Assistant Professor with an anticipated start date of August 2018. The applicant should have a breadth of expertise in Computer Engineering and demonstrated excellent research abilities in one or more of the following areas: artificial intelligence, machine learning, Internet of Things, cloud computing, big data analytics and mining, deep-learning, cognitive computing, software engineering, modeling languages, and formal verification.

Applicants must hold a Ph.D. in Electrical Engineering, Computer Engineering, or closely related discipline. The successful candidate will be expected to establish and maintain an active externally-funded research program, achieve excellence in teaching at the undergraduate and graduate levels, advise students, and participate in departmental governance.

The Department of Electrical and Computer Engineering is strongly committed to excellence in both research and teaching at the graduate and undergraduate levels. The department offers an ABET-accredited B.S. degree program in Electrical Engineering and Computer Engineering, M.S. program in Electrical Engineering, and joint Ph.D. program in Electrical Engineering. Additional information about the department and university can be found at <http://electrical.sdsu.edu/> and <http://www.sdsu.edu>.

SDSU is a large, diverse, urban university and Hispanic-Serving Institution with a commitment to diversity, equity, and inclusive excellence. Our campus community is diverse in many ways, including race, religion, color, sex, age, disability, marital status, sexual orientation, gender identity and expression, national origin, pregnancy, medical condition, and covered veteran status. We strive to build and sustain a welcoming environment for all. SDSU is seeking applicants with demonstrated experience in and/or commitment to teaching and working effectively with individuals from diverse backgrounds and members of underrepresented groups.

Interested applicants should apply via Interfolio at <https://apply.interfolio.com/42856>. Inquires can be sent to the Chair of Faculty Search Committee in Computer Engineering, Professor Amir Alimohammad, by email, to [aalimohammad@mail.sdsu.edu](mailto:aalimohammad@mail.sdsu.edu). Review of the applications will begin immediately and will continue until the position is filled.

*The person holding this position is considered a "mandated reporter" under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.*

*A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position.*

*SDSU is a Title IX, equal opportunity employer and does not discriminate against persons on the basis of race, religion, national origin, sexual orientation, gender, gender identity and expression, marital status, age, disability, pregnancy, medical condition, or covered veteran status.*
