SDSU | College of Engineering
Electrical & Computer Engineering

Criteria for Change to Major Status in Computer or Electrical Engineering from another Major, Pre-Major or Undeclared Status

If you wish to change to the **major** status in **COMPE or EE** from another major, pre-major, or undeclared status, you will need to satisfy the following requirements:

1. You must have **completed MATH 150, MATH 151, PHYS 195, PHYS 196, COMPE 160 and EE 210;** and received **a grade of C or better in each course**.

Major Prerequisite Courses	Grade
MATH 150: Calculus I (4 units)	_____
MATH 151: Calculus II (4 units)	_____
PHYS 195: Principles of Physics (3 units)	_____
PHYS 196: Principles of Physics (3 units)	_____
COMPE 160: Introduction to Computer Programming (3)	_____
EE 210: Circuit Analysis I (3)	_____

2. Students who started SDSU as transfer students must have completed **a minimum of 15 units at SDSU.** These units must count toward the requirements for the COMPE BS degree or EE BS degree.

   Units taken toward the major: _____

3. You must have **a minimum overall GPA of 2.7**.

   GPA: _____

4. You must not have more than two retakes on your Degree Audit.

   # of course(s) retaken: _____

5. Students who started SDSU as First Time Freshman must have no more than 60 units on Degree Audit *(units earned prior to SDSU (i.e. advanced placement) may be reviewed differently)*.

   Number of Units on Degree Audit: _____

Current major/pre-major: _____

New, intended major: _____

Name: _____ RedID: _____ Date: _____

If you meet the above criteria, complete the Change of Major Interest From
