

RESEARCH ASSISTANT POSITION

Position: Research Assistant Position at Dynamic Systems and Intelligent Machines (DSIM) Lab

Where: Dept. of Mechanical Engineering, SDSU
DSIM Lab (<http://dsimlab.com/>)

Contact: Dr. Zahra Nili
zniliahadabadi@sdsu.edu

The DSIM lab is seeking research assistants to work on robotics and artificial intelligence projects this summer. In the DSIM lab, we program the robots to use sensors to perceive the environment and enable them to navigate and cooperate to perform difficult tasks.

If you are interested, please contact Dr. Nili (zniliahadabadi@sdsu.edu) with your resume and transcripts. Knowledge and experience in programming and robotics is desired.

Cover letters should address experience in these areas.
